WITH effect from the 1st April 1889, the sender of a value-payable article will be required to sign a certificate to the effect that the article is sent in execution of a *bona fide* order; and in the case of a value-payable unregistered packet, the sender will, in addition to signing the certificate referred to above, be required to prepay the usual money order commission on the amount specified for recovery from the addressee, by affixing postage stamps of the value of the commission to the form filled up by him.

2. In lieu of the forms at present filled up by the senders of value-payable articles, two revised forms will be substituted from the 1st April 1889—one for use with all value-payable articles other than value-payable unregistered book packets, and the other for use with value-payable unregistered book packets. Each form will contain the certificate to be signed by the sender, and space is provided in the form for use with value-payable unregistered packets for the postage stamps to be affixed in payment of commission.

3. In case a value-payable unregistered packet is refused by the addressee or returned as unclaimed to the sender, no refund of the commission prepaid will be granted.

PUNNA CHANDRA BOSE,

for Exc. Engr., Nuddea Rivers Division.

Berhampore, the 26th February 1889.

WITH effect from the 1st April 1889, the sender of a value-payable article will be required to sign a certificate to the effect that the article is sent in execution of a *bona fide* order; and in the case of a value-payable unregistered packet, the sender will, in addition to signing the certificate referred to above, be required to prepay the usual money order commission on the amount specified for recovery from the addressee, by affixing postage stamps of the value of the commission to the form filled up by him.

3. In lieu of the forms at present filled up by the senders of value-payable articles, two revised forms will be substituted from the 1st April 1889—one for use with all value-payable articles other than value-payable unregistered book packets, and the other for use with value-payable unregistered book packets. Each form will contain the certificate to be signed by the sender, and space is provided in the form for use with value-payable unregistered packets for the postage stamps to be affixed in payment of commission.

2. In case a value-payable unregistered packet is refused by the addressee or returned as unclaimed to the sender, no refund of the commission prepaid will be granted.

Proposed by Mr. A. S. Lovelock,
Seconded by Mr. A. A. Lyall—

3. That an *ad interim* dividend of 4 per cent. on the capital of the Company be declared for the half-year ended 31st December 1888, payable immediately after this Meeting, and that the sum of Rs. 3,718-8-8 be carried forward to next half-year.

Carried unanimously.

The Managing Agents having placed before the Meeting certain correspondence which has passed between them and the Secretary to the Government of India in the Military Department, relative to the recent action of Government in connection with the tender for the supply of rum to the Western Circle, Bengal Commissariat, and said correspondence having been read, it was resolved—

"That the Managing Agents be instructed to have the correspondence printed and circulated to the shareholders of Carew & Co., Ltd.;

"That this Meeting considers that the letter received from the Secretary to Government, Military Department, does not satisfactorily reply to, or explain the facts put forward by, the Managing Agents of this Company;

"That the Managing Agents be instructed to report further on the matter; and

"That a copy of this resolution be circulated to the shareholders along with the copies of the correspondence now submitted."

The Managing Agents informed the Meeting that Government sanction of the scheme for the construction of the Powayn Tramway had just been received, and that steps were being taken for the immediate commencement of work on the line.

The meeting closed with a vote of thanks to the Chair.
